- (a) The same information as the notice of commencement;
- (b) The recording office document book and page reference numbers and date of the notice of commencement;
- (c) A statement of the date as of which the notice of commencement is terminated, which date may not be earlier than 30 days after the notice of termination is recorded;

- (f) A statement that the owner has, before recording the notice of termination, served a copy of the notice of termination on the contractor and on each lienor who has a direct contract with the owner or who has served a notice to owner. The owner is not required to serve a copy of the notice of termination on any lienor who has executed a waiver and release of lien upon final payment in accordance with s. [713.20](#).

(4) A notice of termination is effective to terminate the notice of commencement at the later of 30 days after recording of the notice of termination or the date stated in the notice of termination as the date on which the notice of commencement is terminated, if the notice of termination has been served pursuant to paragraph (1)(f) on the contractor and on each lienor who has a direct contract with the owner or who has served a notice to owner.
